To increase activation limit, review MAK and KMS Volume License Keys and Their Activation Limits, then contact Microsoft Activation Center.

Product keys are assigned to and intended for the sole use of your organization. You will be held responsible for unauthorized use of product keys issued under your agreement. Take measures to keep your keys secure. Do not disclose your product keys to any unauthorized parties. You may see product keys for older product versions; this is to support downgrade rights under some license agreements that allow customers to acquire the latest version of a product and continue use of an older version.
